RESPONSIBLE THINKING ROOM 1st SEMESTER 2017/2018

156 students in RTR up until 1/3/18

112 students had 1 visit in RTR up until 1/3/18

44 students had *2 or more visits in* RTR up until 1/3/18

24 students *had* more than one visit up until 1/3/18

CURRICULUM

LAKESIDE HIGH SCHOOL CURRICULUM & INSTRUCTION

SCHOOL IMPROVEMENT PLAN –

Strategy 1: The Learning Target is measurable. The criteria for success are clear to students and the performance tasks provide evidence that students are able to understand and applying learning in context.

Activity – Curriculum Planning, Vertical Teams

Strategy 2: Engagement strategies will encourage equitable and purposeful student participation and ensure that all students have access to, and are expected to participate in, learning.

Activity – Reading Apprenticeship Across All Disciplines

AP[®] Five-Year School Score Summary (2017)

Print / Download Options

This report shows five years of data at the school, state and global levels. On the first page, a graph illustrates the year-over-year change in the percentage of AP students with scores of 3 or higher, next to a table that provides the overall total exams, total unique students and both the number and percentage of AP students with one or more scores of 3 or higher. On subsequent pages, the report provides subject-specific summary data by year: total exams, total exams by score and mean score.

■ % of Total AP Students with Scores 3+	60.9	61.3	60.7	60.3	60.3

"Success" on an AP Exam is defined as an exam score of 3 or higher, which represents the score point that research finds predictive of college success and college graduation. These findings have held consistent across the decades. One example of such a study comes from the National Center for Educational Accountability, which found that an AP Exam score, and a score of 3 or higher in particular, is a strong predictor of a student's ability to persist in college and earn a bachelor's degree.

The data in this report differs from other College Board reports, such as *The AP Cohort Data Report*, which tracks exams taken by seniors throughout their time in high school (cohort-based) and includes public school data only.

ADVANCED PLACEMENT DATA

BREAKING **News**

Lakewood Public Schools

ALL IN

OUR PRO MISE
"every student. Every classroom. Every day."

The Superintendent's Office can **officially** share the following communication from **The College Board AP Honor Roll**

Superintendent Fleenor,

On behalf of the College Board, I am pleased to share the news that the **Lakewood Public School District is one of 433 districts across the United States and Canada that have been selected for the 8th Annual AP Honor Roll.**

Districts on the AP Honor Roll have **simultaneously increased access to Advanced Placement® coursework while maintaining or increasing the percentage of students earning scores of 3 or higher on AP Exams.** Honor Roll Districts **defy** the expectation that expanding access automatically results in a decline in the percentage of exams earning scores of 3 or better. Congratulations to you, your staff, and your students for this achievement!

Sincerely,

Kari Anama Director of Michigan
State and District Partnerships

2%

**Lakewood Vikings places
in Top 2% of districts
across the United States**

As cited by the U.S. Department of Education
Digest of Education Statistics, 2001

An honorary **THANK YOU** to
our AP educators.

They are **ALL IN.**

Mrs. Lydia Cobb

Mr. Randall Hager

Mr. Jim Hassett

Mr. Keith Kadwell

Mr. Doug Callaway

A **Special Thanks** to the
