

OFFICE OF THE SUPERINTENDENT

October 23, 2017

Dear Parents and Community Members,

This past Friday Night at our home football game, a check was presented to Manna's Market for the sum of **\$33,776.80!** This was money raised by the good people of this community for such a vital organization's mission to our local families. It is clear that the Tackling Hunger Cause Game was a success because of our generous sponsors, businesses, parents, staff, students, and community members.

Thank you so much for your participation in this year's campaign.

Best regards,

Randall J. Fleenor
Superintendent
