February 11, 2021

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2020-21 educational progress for the Lakewood Public Schools and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Jodi Duits, Director of Curriculum, Instruction, Assessment, and School Improvement (616-374-8043) for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site <https://www.mischooldata.org/annual-education-report-1>, or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

Review the table below listing our schools. For the 2019-20 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Lakewood Early Childhood Center	None	See School Improvement Plan
Lakewood Elementary School	None	See School Improvement Plan
Lakewood Middle School	None	See School Improvement Plan
Lakewood High School	None	See School Improvement Plan

We continue to be very proud of our Lakewood teachers, students, and their achievement on state standardized tests. As a district, we strive to maintain and improve the level of student performance that we are currently experiencing.

Sincerely

Steven C. Skalka
