### Goal Reporting - Reading

Required by February 1, 2022 and by End of 21/22 School Year

Date: Feb 1, 2022

**Requirement: Report progress on benchmark assessments using achievement or growth for K-8 in reading and math in the aggregate and for all subgroups**

#### Goal #1

At least 80% of all students grades K-8, and those within identified subgroups, will demonstrate observable growth in math and reading between the baseline September benchmark testing and May end of year testing.

#### Goal #2

The percentage of students achieving their projected growth targets in math and reading from baseline September benchmark testing and May end of year testing will increase 3% over their previous school year's projected growth results per grade level (K to 1<sup>st</sup>, 1<sup>st</sup> to 2<sup>nd</sup>, etc).
