

March 16, 2020

Dear Families & Viking Community:

In an effort to assist families with children, beginning on Thursday, March 19, 2020, the **Viking Mobile Meals** campaign will start.

Food will be distributed to any family with children 0-18, or 26 with a disability. Available food items will include breakfast/lunch. The food must be consumed off the property where it is being delivered. We are asking everyone not to be at the location for more than 10 minutes. Please limit the number of people when arriving at the distribution point. If you or someone in your home is not feeling well or have traveled recently, please refrain from participating.
