

April 30, 2021

## TO KEEP OUR COMMUNITY INFORMED.

As educators and parents, we understand the importance of trust to our home-to-school partnership. Our promise is to keep our school community apprised of any COVID 19-related school situation that does not require a school closure via this COVID COMMUNICATOR advisory tool. Please be assured that the district will follow the CDC/Health Department process for addressing Covid-related situations.

## UPDATE.

For the week ending April 30 2021, we have been notified of 6 new positive cases and 65 new close contacts related to these and other new positives throughout the area.

**For more updated regional information see:**

## AN IMPORTANT NOTE.

**We know COVID fatigue is real. STAY VIGILANT LAKEWOOD.**

Parents can help by monitoring for the onset of symptoms related to COVID-19 and contact your health care provider should changes in one's health occur. If your student or a household member is being tested for COVID-19, all household members, including your student, should remain home until the test results are received. Thank you for helping us to help children during this time.
