

January 8, 2021

TO KEEP OUR COMMUNITY INFORMED.

As educators and parents, we understand the importance of trust to our home-to-school partnership. Our promise is to keep our school community apprised of any COVID 19-related school situation that does not require a school closure via this COVID COMMUNICATOR advisory tool. Please be assured that the district will follow the CDC/Health Department process for addressing Covid-related situations.

UPDATE.

Since students have returned from winter break on Monday, January 4, 2021, we have been notified of two individuals that had tested positive during winter break. We have also been notified of seven individuals who were identified as close contacts.

HOW YOU CAN HELP.

Please remember that to ensure students attend school only when they are feeling well. If your student or a household member is being tested for COVID-19, all household members, including your student, should remain home until the test results are received.

A WORD OF THANKS...

We appreciate our educators, staff, and parents, who are all working together to keep Lakewood kids learning.
