TO KEEP OUR COMMUNITY INFORMED.

As educators and parents, we understand the importance of trust to our home-to-school partnership. Our promise is to keep our school community apprised of any COVID 19-related school situation that does not require a school closure via this COVID COMMUNICATOR advisory tool. Please be assured that the district will follow the CDC/Health Department process for addressing Covid-related situations.

UPDATE.

For the week of January 22, 2021, we have been notified of 2 new positive cases and 55 new close contacts (not solely related to these two new positive results).

HOW YOU CAN HELP.

For the first time, this week we have had to quarantine an entire class due to the unavailability of a substitute teacher for the classroom. We are in need of substitute teachers, substitute paraprofessionals, substitute and full-time bus drivers. Very often, people who do these jobs are encouraged by someone they know. So, even if you aren't able or interested, you probably know someone who could be really good in one of these jobs. Don't be bashful in saying, "You know the school district is hiring" and passing along our phone number 616-374-8043.
