

Dear Graduates and Families

We are happy to announce that we will be holding our Graduation Walk and Diploma Presentation on July 23 from 5 pm to 8 pm. Previously, we asked that graduates attend a rehearsal for the ceremony. We want to share that this is no longer needed.

The Class of 2020 will now be getting the recognition they deserve for their hard work. Our graduation ceremony will have graduates take a walk through the building one last time. During this walk, we will have multiple stops for students to take along the way. These stops will be special for each student and provide a memorable experience and see staff one last time. We are very excited about this and hope all of our graduates attend.

While working with CDC Guidelines and the Governor's Executive Order, we need students to sign up for their time to walk. This is a first come first serve basis. Please click on the link below to select your time slot.

Also, we will be requiring families attending to follow CDC guidelines and will have you enter the building to join their graduate for the diploma presentation. Please take a few minutes to look this over so that we can help keep each other safe.

We are excited for the opportunity to honor our graduates and look forward to seeing them one last time.
