KEEPING YOU INFORMED

The first semester is in the books. Here are some things that we want to share as we begin the next semester.

For students who missed an exam, you will be completing this when we return next week.

For students who did not receive a passing grade, please speak to your counselor so you can begin the credit recovery process.

Students can see their second-semester schedule in Skyward. If a student has a concern about their schedule, they need to speak to their counselor before Thursday.

In the first week of February, we will be meeting with students to begin the scheduling process for the 20204-2025 school year. EMERGENCY PROCEDURES

Today, we had to go into a LOCKOUT due to a situation in the community.

District practices are as follows:

When we go into a **LOCKDOWN**, this situation occurs in the building, and staff and students are in classrooms and out of sight.

When we go into **LOCKOUT**, there is a situation occurring in the community, or we are creating privacy to a medical situation within the school. Students are to remain in classrooms until we end the lockout. This step is a precautionary measure to help keep our Vikings safe.

During the time we are in either situation, students will NOT be able to be removed from classrooms or let out of the school. I know this is frustrating for parents, but we are keeping everyone in classrooms and safe.

Your school counselor is here to assist you with your academic, social-emotional, and career/college plans. Stop by the office to set up a time to meet.

CLASS OF 2024 PARENTS

With two weeks remaining in the first semester, your Viking is about to enter their last semester as a high school student. The next few months will go fast, and having a senior is no easy task. Between now and Graduation (MAY 23), we need to complete high school graduation requirements and make sure we your plans for after high school are planned and ready to go. Please contact our counselor with any questions you may have.
