VIKINGS ASPIRE

KEEPING YOU INFORMED

Some of us say Spring begins at the sight of our first Robin. Others, it is the ping of the bat. Either way, we are only a little over a month away from the end of the school year and three weeks away from the Class of 2025 graduation ceremony. It is unbelievable for all of us that we are so near to the end of the school year, but we need your help. As the weather gets warmer, student efforts decline.

Class of 2025 Parents, please ensure your student is on track to graduate. We have been working with students to help them get across the finish line. If you are in need of support, please contact the Counseling Office so we can make sure your Viking graduates.

REQUEST FOR ONLINE LEARNING

Lakewood High School

2025 - 2026

It is important to the LHS Staff that all students are successful. We know that we need to meet students' needs, and sometimes that requires students to be online. Families must complete this form to apply for online classes for the 2025-2026 school year. The Principal and District Administration will review your application for approval.

To apply, students must have demonstrated successful learning in the previous semester. Submit this application before the deadline listed below. When we get to the end of the semester, we will look at each student's application to see if they have met this expectation. **Students will be permitted up to two online classes per semester.** Students who are approved to take online classes shall meet the following expectations to remain in their online classes for the 2025-2026 school year:

➤ Students must meet "attendance" requirements each week. These requirements include:

- Contact with his/her assigned LPS teacher-mentor a minimum of twice per week regarding academic/course-specific content or progress.
Students' attendance during the count period is required in the media center during their scheduled class hour.
Students must complete their grade-level-specific state assessments in the spring (April).

➤ Expectations for students taking their online course(s):

- Students are required to participate in two-way communication weekly. Two-way communication will be completed through email with an LHS teacher-mentor.
- Students will keep up with their coursework and maintain a passing grade.
- Students are required to come into the school on Count Days.
- Students are required to complete all state testing.
- Students who do not receive a passing grade may lose the ability to schedule online classes.

COLLEGE REP VISITS

Class of 2026 and 2027, please let us know of any post secondary learning institutions you would like your Viking to see or meet with a Representative.

SENIOR DRAWING

COUNSELING OFFICE SENIOR DRAWING:

Seniors will have a chance to win a bunch of dorm and apartment essentials: a mini fridge, microwave, AirPods, a coffee maker, and much more! Seniors will get up to two entries: one for submitting the FAFSA and one for applying to at least one college this year. More information to come. Seniors, keep an eye on your email!

TRANSCRIPTS

When students apply to college, they are required to provide a transcript. This is part of the application process and the counseling office assists you with this. This is done through a website called Parchment. At the end of the student's Senior year, the college will need the final transcript. Students will then use Parchment to have their final transcript sent to their college.
