Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Lakewood Public Schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact our superintendent of schools, Jodi Duits (616.374.8043 or duitsj@lakewoodps.org), for help if you need assistance.

The DISTRICT AER is available for you to review electronically by clicking [here](#), or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data

Review the table below listing our schools. For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Lakewood Early Childhood Center	No Label	See MICIP Improvement Plan
Lakewood Elementary School	No Label	See MICIP Improvement Plan
Lakewood Middle Schools	No Label	See MICIP Improvement Plan
Lakewood High School	No Label	See MICIP Improvement Plan

We continue to be very proud of our Lakewood teachers, students, and their achievement on state standardized tests. As a District, we strive to maintain and improve the level of student performance that we are currently experiencing.

Sincerely,

Jodi Duits
