

# K-8 CAMP VIKING

free  
IT'S ON US

**LAKEWOOD PUBLIC SCHOOLS**  
Preparing students for success.

The Lakewood Public Schools will offer in-person summer school to its current K-8 students free of charge. LPS is committed to ensuring that those students in need of additional instruction to close learning gaps and in need of additional social and emotional attention during the summer will receive it in a safe, caring, and fun atmosphere.

While open to any K-8 student enrolled in the district during the 2021/22 school year, priority will go to those students who meet State of Michigan at-risk criteria or have been recommended by their teacher based on academic needs required for success at the next grade level.
